AL
SELECTION

Leaders make important, far-reaching decisions. They need an environment that reflects their executive position. An office that stands for the essential and communicates a clear message.

AL Selection was designed by Bene for exactly this purpose: pure leadership, expressed in every detail and feature.

& RARE

A dark, high-contrast image of a sports car, likely a Lamborghini, shown from a side profile. The car is black with some metallic highlights. The word "STRONG," is overlaid in large, white, sans-serif capital letters. The background is a dark, solid color.

STRONG,

A dark, high-contrast image of a sports car, likely a Lamborghini, with the text "STRONG, DRAMATIC" overlaid in white. The car is shown from a side-front perspective, highlighting its aggressive, angular design. The lighting is dramatic, with deep shadows and bright highlights on the car's surfaces. The background is a solid dark gray.

The image is a black and white photograph of a modern interior space, likely a showroom or a high-end office. The scene is dominated by dark, sleek surfaces and sharp geometric lines. In the foreground, there are three vertical panels or samples of materials. The first two are labeled 'Aluminium Anodised' and the third is labeled 'Leather'. The lighting is dramatic, coming from the left, creating strong highlights and deep shadows that emphasize the textures and forms of the materials and the architecture.
